Noir Supreme Cut Scissors

Noir Supreme Cut Scissors

- **Noir**
The combination of the renowned Aesculap tungsten carbide technology with the Aesculap Noir coating results in an extremely high surface hardness and therefore high wear resistance in daily hospital use.
- **Microtome edge**
The extremely sharp cutting edge of the scissors blade facilitates gentle cutting of tissue with minimal use of force.
- **Wavecut** helps prevent tissue from slipping out during the cutting process.
- The WB after the item number indicates the Noir scissors are the wavecut style, e.g. BC211WB.

For more information see our brochure number DOC637.

DUROGRIP® TC Needle Holders

Aesculap features Needle Holders with Tungsten Carbide (TC) inserts. A smooth jaw and three different serration patterns are available, depending on the size of the suture needle.

We recommend carbide inserts

with smooth jaw surface for suture material

9/0 - 11/0

with 0.2 mm pitch of serration for suture material

6/0 - 10/0

0.4 mm

4/0 - 6/0

0.5 mm

up to 3/0
